

Program Biographies:

Joseph and the Amazing Technicolor Dreamcoat

Cast Biographies are exciting reading. Your friends and relatives will look forward to seeing your name in print.

Please keep your biography to no more than three, well worded sentences. Be aware that CMT/MTF may edit your submissions.

We realize that limiting it to three sentences is not a lot of space to write your entire theatre or performing history, but please try. We have included an example below.

Jay Watson is well to known to Valley audiences for his numerous local stage appearances and has been performing with CenterStage for four years. He was Sir Harry in *Once Upon A Mattress*, King Richard in *Robin Hood*, Daddy Warbucks in *Annie* and most recently Javert in CenterStage's acclaimed production of *Les Miserables*.
